Emergency Hospital Admission

If you or a family member are in hospital and require an urgent visit from a Priest, please speak to the Ward Manager and ask him/her to contact a Catholic Priest. For emergencies, Priests in the Clifton Diocese operate a rota whereby whoever is on call is contactable via a 'bleeper'.

Hospital In-Patients

On admission to hospital as a patient, you or your carer should inform the hospital admission staff that you are Catholic and wish to be visited by the Catholic Chaplain. The hospital will not ask for this information, it is up to the patient to make it known and to make sure that a note is made. The Catholic Chaplain will normally be the local Parish Priest where the hospital is situated, but not always. It is also important that you inform your own Parish Priest.
